The Corporations Act requires the Annual Report of the Company for the year ended 31 December 2020, which includes the Financial Report of the Company, the Directors' Report, the Remuneration Report and the Auditor's Report, to be laid before the Annual General Meeting. The financial statements and reports are contained in the Annual Report. Shareholders who have elected to receive the Annual Report have been provided with a copy. While no resolution is required in relation to this item, Shareholders will be given the opportunity to ask questions and make comments on the financial statements and reports.

2. Resolution 1 – Approval of Remuneration Report

Section 249L(2) of the Corporations Act requires a company to inform shareholders that a resolution on the Remuneration Report will be put at the Annual General Meeting. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Report.

If at least 25% of the votes on this Resolution are voted against adoption of the Remuneration Report at the Annual General Meeting, and then again at the Company's 2022 annual general meeting, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of the Directors ("**Spill Resolution**").

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general meeting ("**Spill Meeting**") within ninety (90) days. All of the Directors (other than the Chairman), will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election is approved will be the directors of the Company.

6 Resolution 5 – Approval of 10% Placement Facility

Resolution 5 is a special resolution which seeks Shareholder approval for the issue of Equity Securities totalling up to 10% of the issued capital of the Company under and in accordance with Listing Rule 7.1A (“**10% Placement Facility**”).

Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An ‘eligible entity’ means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 5 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If Resolution 5 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without shareholder provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

Approval of the 10% Placement Facility is valid from the date of the Annual General Meeting until the earlier of:

- twelve (12) months after the Annual General Meeting;
- the time and date of the Company's next annual general meeting; and
- the date shareholders approve a transaction under Listing Rule 11.1.2 (significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(**"10% Placement Period"**).

The number of Equity Securities that the Company will have the capacity to issue under the 10% Placement Facility will be calculated in accordance with the following formula:

$$(A \times D) - E$$

A has the same meaning as in Listing Rule 7.1 when calculating an entity's 15% placement capacity – i.e. the number of shares on issue twelve (12) months before the date of issue or agreement:

- plus the number of fully paid shares issued in the twelve (12) months under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
- plus the number of fully paid Equity Securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4,
- plus the number of fully paid Equity Securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,

- plus the number of any other Equity Securities issued in the relevant period with approval under Listing Rule 7.1 or Listing Rule 7.4,
- plus the number of partly paid Equity Securities that became fully paid in the relevant period,
- less the number of fully paid Equity Securities cancelled in the relevant period;

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the twelve (12) months before the date of the issue or agreement to issue where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

For the purposes of Listing Rule 7.3A, the following information is provided to Shareholders in relation to Resolution 5:

(a) Minimum price at which the securities may be issued

In accordance with Listing Rule 7.1A.3, any Equity Securities issued under the 10% Placement Facility will be issued for at least 75% of the VWAP of Equity Securities in the same existing quoted class of Equity Securities calculated over the fifteen (15) Trading Days on which trades in that class were recorded immediately before:

- the date on which the price of the Equity Securities is agreed; or
- if the Equity Securities are not issued within ten (10) Trading Days of the above date, the date on which the Equity Securities are issued.

(b) Risk of economic and voting dilution

Any issue of Equity Securities under the 10% Placement Facility will dilute Shareholders who do not participate in the issue. The table below shows the potential economic and voting dilution of existing Shareholders as a result of the Company issuing Shares under the 10% Placement Facility, based on different issue prices and values for variable 'A' in the formula above.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at future meetings of Shareholders; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable A in Listing Rule 7.1A.2		Dilution		
		\$0.009 50% decrease in market price	\$0.018 current market price	\$0.036 100% increase in market price
Current variable "A" 717,786,281	10% voting dilution	71,778,628 Shares	71,778,628 Shares	71,778,628 Shares
	Funds raised	\$646,007.65	\$1,292,015.30	\$2,584,030.61
50% increase in current variable "A" 1,076,679,421	10% voting dilution	107,667,942 Shares	107,667,942 Shares	107,667,942 Shares
	Funds raised	\$969,011.48	\$1,938,022.96	\$3,876,045.91
100% increase in current variable "A" 1,435,572,562	10% voting dilution	143,557,256 Shares	143,557,256 Shares	143,557,256 Shares
	Funds raised	\$1,292,015.30	\$2,584,030.61	\$5,168,061.22

Notes (the table has been prepared on the basis of the following assumptions):

1. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
2. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
3. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
4. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The issue price is \$0.018, being the closing price of the Shares on ASX on 14 June 2021.

Shareholders should further note that:

- the market price for the Equity Securities may be significantly lower on the date of issue than on the date of the Annual General Meeting; and
- the Equity Securities may be issued at a price that is at a discount to the market price for the Equity Securities on the date of issue.

(c) Date by which the securities may be issued

In accordance with Listing Rule 7.1A.1, any Equity Securities issued under the 10% Placement Facility will be issued during the 10% Placement Period. The 10% Placement Facility will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(d) Purposes for which the securities may be issued

Any Equity Securities issued under the 10% Placement Facility may only be issued for cash consideration to raise funds. In such circumstances, the Company may apply the funds raised towards activities at its existing projects and/or to provide general working capital. However, as at the date of this Notice of Annual General Meeting, the Company has no

present intention to undertake a new capital raising using its additional 10% Placement Facility.

(e) **Allocation policy for issues of securities**

The Company's allocation policy for any Equity Securities issued under the 10% Placement Facility will depend on the prevailing market conditions at the relevant time, however, recipients will not be related parties of the Company. The identity of recipients of Equity Securities will otherwise be determined on a case by case basis having regard to the following factors (without limitation):

- the purpose of the issue;
- alternative methods for raising funds that are available to the Company including rights issues or other issues in which existing Shareholders can participate;
- the effect of the issue on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon issuing any Equity Securities.

(f) **Previous issues of securities**

There have been no issues of securities since the previous annual general meeting of the Company.

For the purposes of Listing Rule 7.1A.2, the Company notes that, as at the date of this Notice of Annual General Meeting, the Company has not approached any Shareholders to participate in the issue of any Equity Securities. As such, no existing Shareholders votes will be excluded under the voting exclusion for this Resolution 5 in this Notice of Annual General Meeting.

7 Director's Recommendations

The Directors unanimously recommend that Shareholders vote in favour of all Resolutions, other than to the extent that a Director abstains from expressing an opinion or making a recommendation in the relevant Resolutions due to having a material personal interest in the Resolution.
